

SAVINGS BANKS AND THE DOUBLE BOTTOM-LINE

Table of Contents

Acknowledgements	5
Abstract	6
Foreword	9
1. Scope of this Study	11
A. Positioning savings banks among double bottom-line institutions	11
B. Savings banks and the dimensions of access	12
C. Savings banks and the provision of access	13
D. Savings banks and the double bottom-line	14
2. Summary of Key Findings	17
3. Savings Banks and the Dimensions of Access	19
A. An organising framework – World Bank’s Dimensions of Access	19
B. Positioning savings banks on the Dimensions of Access	24
C. Stratifying savings banks according to the framework	36
4. Savings Banks and the Supply of Access	37
A. Measuring the supply of access	37
B. Moving from accounts to access	48
5. Savings Banks and the Financial Bottom-Line	55
A. Overall profitability	55
B. Cost efficiency – Underpinning affordability and profitability	59
6. Conclusions and Policy Implications	65
Selected bibliography	67
Data tables	69
Annex - filling gaps in measured access	75
Tables / charts reproduced from earlier studies	79

List of Tables

Table 1	Loan size and average savings balances for commercial banks	38
Table 2	Loan size and average savings balances for savings banks	41
Table 3	Savings banks' lending volumes and average loan sizes	42
Table 4	Loan and savings penetration by institutional type and country income band	44
Table 5	Accounts handled per savings bank employee, by location of outlet	62

List of Figures

Figure 1	Branch and deposit indicators for commercial banks	38
Figure 2	Branch and deposit indicators for savings banks	40
Figure 3	Double bottom-line accounts per adult by type of supplier	46
Figure 4	Savings bank account supply in the double bottom-line context	47
Figure 5	Surveyed versus World Bank estimates of levels of access	50
Figure 6	Framework for assessing savings bank outreach	52
Figure 7	The distribution of savings banks' net return on assets	56
Figure 8	Savings bank and microfinance institution profitability compared	58
Figure 9	Savings bank profitability and relative outreach	59
Figure 10	Savings bank operating cost to asset ratios, by region	60
Figure 11	Savings bank accounts per staff member	60
Figure 12	The link between outreach and cost efficiency and staff productivity	63

List of Boxes

Box 1	Savings banks – a diversity of form but shared commitment to access	15
Box 2	Selected member initiatives to foster microfinance in developing economies	31
Box 3	Turning income into savings and credit opportunities – Brazil and Mexico	33
Box 4	Accessibility at other double bottom-line institutions	35
